dtv prompt.

Digital Showering System
Warm Up Your Shower Without Wasting Water
Once the selected temperature is reached, the water pauses until you’re ready to step into it.

Set the Timer to Count Your Shower Down
DTV Prompt is perfect for setting shower limits in busy households or for water conservation concerns.

Pause Your Shower
Wash your hair or shave without the water running.

Safe Temperature Control
Limit the maximum temperature your water can ever reach—perfect for families with small children.

Run Multiple Configurations
Handshowers, bodysprays, bath fillers, Rainheads and more can be run separately or at the same time.

One-Touch Operation
On / Pause / Off

Large Digital Display
The large and intuitive LCD display makes it incredibly easy to use.

Simple Diverter Control
Toggle between one or two water outlets with the push of a button.

Precise Temperature Control
Digital thermostatic valve technology guarantees accurate and safe temperature control.

Be Smart. Be Prompt.
DTV Prompt™ is a digital thermostatic valve designed to enhance your showering or bathing experience with greater control, convenience and functionality.

Warm Up Your Shower Without Wasting Water
Once the selected temperature is reached, the water pauses until you’re ready to step into it.

Pause Your Shower
Wash your hair or shave without the water running.

Safe Temperature Control
Limit the maximum temperature your water can ever reach—perfect for families with small children.

Run Multiple Configurations
Handshowers, bodysprays, bath fillers, Rainheads and more can be run separately or at the same time.

Easy to Install
The valve’s main supply cable is prewired, and the valve can be installed up to 20 feet* from the interface—giving you complete installation flexibility.

Complements Your Décor
The sleek, modern design fits many design tastes.

*DTV Prompt comes with a 20-foot cable. For longer distances, simply replace/extend with a standard RJ-11 phone extension cord.
